Re: U.S.A., et al v. Reilly
Tar & Chemical Corporation
Your File No. 3857-011

Dear Al:

In response to your letter to Ed Schwartzbauer of January 25, 1983, we have inquired with Environmental Research and Technology as to further information they may require on land farming beyond that found in St. Louis Park Exhibit 14 and will make additional requests if necessary. With respect to the Louisiana/Highway 7 Interchange, we are seeking preliminary or final plans, if prepared, of the Interchange and information on its status, e.g., date of approval, proposed construction schedule, proposed date of completion, etc.

Thank you for your assistance.

Very truly yours,

Becky A. Comstock
